Where: 161 Friendship Baptist Church Rd, Milner, GA 30257

[Click here to Register Here](#)

The College of Commissioner Science helps commissioners stay current on unit services, tools, and techniques. The courses are here to help build on what we know and help us learn new ways to overcome obstacles we may face in our local councils.

The goals of this event are to help commissioners expand their skills and refresh their commitment and energy for commissioner service.

Courses (Degrees) being offered:

Bachelor's of Commissioner Science

We are excited to invite you to the very first Flint River Council College of Commissioner Science this fall. The commitment you make to the youth of the Flint River Council and the units you serve is greatly appreciated! We are honored that you have chosen us for your continued educational needs, and are excited to have you. Please register at the link above. The price includes lunch as well as the administrative cost for onsite certificate printing and patches. Thanks for all you do!
