

NOMINATION FOR THE BOY SCOUTS OF AMERICA COUNCIL ALUMNUS OF THE YEAR AWARD

The Boy Scouts of America Council Alumnus of the Year Award is the Scouting Alumni Association's highest council recognition. The award was established to recognize alumni of the Boy Scouts of America (BSA) who, over a sustained period of time, have used the skills and values they learned through their association with Scouting to make significant and long-lasting contributions to their local communities through their careers, avocations, and Scouting.

A BSA alumnus includes anyone positively and personally impacted by the BSA—former Scouts, family members of Scouts past and present, community leaders, and the millions of Americans who benefit from Scouting in their communities every day.

PHILOSOPHY

The future of any organization is embodied in the value of its program and the contributions of its alumni over time. The acorn was selected to represent the BSA Council Alumnus of the Year for many reasons including:

- Mighty oaks from little acorns grow.
- Scouts and Scouters plant seeds for trees under which they may never sit.
- The seed-planting analogy is applicable in many faiths and cultures.

Nominations must be submitted to the Scouting Alumni Association. Submissions may be scanned and sent electronically to BSAalumni@scouting.org. Mailed submissions may be sent to P.O. Box 152079, Irving, TX 75015. The national office will review the nomination, and the nominee may be recognized upon confirmation that the council has not exceeded its quota. Self-nomination is prohibited. A maximum of one recipient may be awarded per year.

Award Presentation and Recognition

The Council Alumnus of the Year Award presentation should be conducted with the highest level of honor. Often, these individuals have lent their influence through their positions in their profession, avocation, and community to support Scouting. Each recipient should receive recognition worthy of the service rendered on Scouting’s behalf.
