

March 13, 2020

Dear Scouts & Scouters,

Based on the actions of local school districts and information shared during Governor Kemp's news conference, the Flint River Council will take the following actions in response to the COVID-19 Coronavirus:

- A. Camp Events will be cancelled/postponed for the next two weekends (March 13-15 and March 20-22).
- B. The Council Offices will remain open for regular business at this time.
- C. All Friends of Scouting Dinners will be postponed.
- D. While not mandatory, we recommend all unit meetings and activities be suspended through Friday, March 27, 2020.

As noted earlier this week, The Flint River Council follows the local school system for cancellations of activities and events. We continue to monitor this situation and follow the advice of the Georgia Department of Public Health. We will update you throughout this process on changes to our schedule.

Sincerely,

A blue ink handwritten signature, appearing to read "Robert W. Johnson".
