March 25-27, 2022

*Camp Jim Stephens
Newnan, Georgia*

January 5, 2022

Dear Unit Leader,

On behalf of the Coweta District and the Flint River Council, we cordially invite you to attend the 2022 Coweta District Spring Camporee to be held on the weekend of March 25-27, 2022, at historic Camp Jim Stephens just west of Newnan in Coweta County.

The theme for this year's Camporee is Photography. Most of the activities and competitions will be centered on this theme, and all Scouts BSA youth will have the opportunity to earn the Photography merit badge.

Photography is one of the Scouting's coolest merit badges, and this camporee is going to be lots of fun for Scouts young and old. Our 2022 Spring Camporee will be RICH with opportunities to LEARN and COMPETE in several different events around the Photography theme. More information on our program and competitions is enclosed in this leader's guide.

The Camporee also offers a unique opportunity for Arrow of Light (Webelos II) Cub Scouts to participate in a Boy Scout camping event. Troops are encouraged to invite AOL Cub Scouts in their area to the Camporee to camp with them, participate in the events and observe Scouts BSA troops in action. Cub Scouts will have the opportunity to participate in all events. Scouts unable to camp overnight are still encouraged to participate in Saturday's program.

We intend to offer a truly unique experience for all Scouts taking advantage of this program opportunity. Come enjoy the Camporee and be prepared for an unforgettable time. We look forward to seeing you at the 2022 Coweta District Spring Camporee!

Yours in Scouting,

Barrett Thompson

SOS

In the early morning of April 15, 1912 as the ship sailed from Southampton to New York, transmissions from *Titanic's* Marconi Room — the wireless center — were nondescript and ordinary. Though SOS was adopted in 1908 as an international symbol for distress, few radio operators in 1912 used it in practice, and neither did Mr. Philipps, who used the older "CQD" for emergency. The letters "CQ" signaled a general call, such as "Attention All Stations" with the letter "D" indicating distress. It was not until after the *Titanic* disaster that SOS became widely

2022 Coweta District Spring Camporee

adopted. SOS was adopted because the three dits of “S” following the three dahs of “O” easily and quickly stand out for any receiver.

The three-letter code is transmitted faster than imagined. SOS — and only SOS — has no break between letters as in a normal transmission. Letters are tapped rapid fire one after the other.

Using the provided light gun send a distress signal to the rescue helicopter passing by. Timed event.

Monkey See, Monkey Do

One troop at a time. Each troop will provide two players. In a game based on basic Scout skills- An instructor will quietly show a skill and the scout has to repeat.

Bear Bag

Patrols will set up a Bear Bag for their overnight campsite. Bear bag must be above the line off the ground and more than 8 feet away from the tree in which it is deployed. Appropriate knots must be used. This is a timed event and penalty points may be accrued for incorrect demonstrations.

2022 Coweta District Spring Camporee

Six-Knot Relay

Individually, a Patrol member will run from the starting line to a 2nd position. When he arrives he will reach into a can and pull out a knot name card. The Scout will then have to correctly tie the knot. Once the judge approves the knot the Scout will un-tie it and run back to the starting line where he will tag off to the next Scout in line. That Scout will then run to the can and repeat the procedure. This continues until all Scouts have tied a knot. Each Scout in the Patrol must participate. The knots will be bowline, clove hitch, square, sheet bend, two half hitches and timber hitch. Each knot may be tied more than once, if patrol is larger than six scouts. Rope and log for the knots will be provided. The average time per scout will be used for scoring.

Can't Beat My Little Red Wagon

You are faced with loading your wagon with perishables and getting them across the field before the storm. You must cross without losing your supplies or damaging them. Using only the gadgets/ provide station gear with your wits/ skills, get along home. Scoring: The entire event will be timed from a starting line until the last scout crosses the finish line.

“Frisbee!”

Yelling "Frisbie" to alert others to avoid my spinning tins. (I know everyone has seen- Back to the Future III)

One Scout will pass pie pan to the other Scout. Turn and repeat until missed. Sudden death – when you drop your pie pan, your troop starts over. Fastest time to complete the course. Sorry gymnast McKayla Maroney will not be available to get your pie pan off the *roof*.

2022 Coweta District Spring Camporee

Measure Twice, Cut Once

You are faced with sawing to exacting standards. You must cut only the provided item. Using only the provided saw with your exacting eye/ skills, cut to the “golden rule.” Scoring: The entire event will be on who measures up to the cut.

John Henry (a steel-driving man)

John Henry was tasked with hammering a steel drill into rock to make holes for explosives to blast the rock in constructing a railroad tunnel. The scout will showcase their hammering skills.

2022 Coweta District Spring Camporee

GOLDEN SPOON COMPETITION

We knew we were coming, so we baked a cake...

Each Unit competing in the Golden Spoon Competition will bake a cake prior to coming to the Spring Camporee.

The cake may be cooked by one scout at home, a patrol or with the whole Unit in a kitchen, but the cake must be made by a Scout, from start to finish (you are on your Scout's Honor). Your cake can feature Granny's Secret Recipe, Bill Bell's blue ribbon recipe, Redbook's holiday recipe, etc., or simply out of a box as long as the cake is made by a Scout. The skills learned in cooking merit badge will be a great assistance.

This competition will be a "blind" taste test. Three covered servings must be delivered to the back of the Block House Kitchen. Delivery will be between 4:45 and 6 PM Saturday.
