# Donate Your Vehicle.

We'll sell it at auction and give the proceeds to the Boy Scouts of America.

Not every "vehicle" is a car, but every donation helps!

One Car One Difference™ accepts every type of vehicle, including:

- Cars
- Trucks
- Boats
- Motorcycles
- Snowmobiles
- Personal watercraft
- Heavy equipment
- Cars

The sale of each vehicle provides a significant benefit for of the Boy Scouts of America. Your support through the One Car One Difference program will provide funding for efforts designed to build character, self-worth, responsible citizenship, and leadership skills in our youth. You could earn a tax deduction, too.

Although the process of donating your vehicle is simple and quick, the benefit lasts a long time. You'll feel good about helping Scouts, and you'll get rid of that old vehicle. Sound easy? It is.

Your charitable donation to One Car One Difference has another significant benefit: helping the environment. One Car One Difference shares your commitment to creating a cleaner environment, with strict guidelines in place to ensure regulatory and EPA compliance.
